

TRUMAN COMMUNICATION INTERNSHIPS

Did you know... you can have an internship that's both paid and allows you to earn up to 10 upper level communication credits?

Join us at an open forum on **Wednesday Nov. 16, 2016** in **BT 1211** at **5 pm** to learn about these amazing opportunities from students who have had internships in the past. We'll share effective ways of searching and applying for internships, offer resume tips, and discuss how to apply for credit.

There will be snacks!

Communication internships can be both on or off campus, and during any semester or during the summer. The deadline for Spring 2017 internships was 11/21/16, though exceptions can be granted if warranted. The deadline for Summer 2017 internships is 4/17/17.
